# FIRST THINGS FIRST

*Ready for School. Set for Life.*

[azfff.gov](http://azfff.gov)

This is your directory of organizations that provide services to children, their families and referral agencies throughout the Pinal Region. If you would like additional copies of this guide, have corrections, or you would like to be included in the 2014 edition, please contact

**Katrina DeVinny, Program Coordination Specialist, (520) 836-5838 or [kdevinny@azfff.gov](mailto:kdevinny@azfff.gov)**

Additional copies are available at the following locations: Public Libraries; Department of Economic Security; local Chamber of Commerce; and Hospitals within the Pinal Region. Other locations are being enlisted as well, so please call or email us for a location closest to you.

A child's most important developmental years are those leading up to kindergarten. First Things First partners with Arizona parents and communities to help kids five and younger receive the early education, quality healthcare and family support they need to start school healthy and ready to succeed.

Approved by Arizona voters, FTF Things First (FTF), works to ensure that our youngest children have access to quality early childhood experiences so they will start school healthy and ready to succeed. Across the state, FTF regional partnership councils - in collaboration with local leaders - identify the educational and health needs of children from birth through age five in their communities and fund strategies to address those needs.

### AGENCY DESCRIPTION

**Arizona Early Intervention Program:** The Arizona Early Intervention Program serves children, birth to three, at risk for or who are exhibiting developmental delays and their families. Our multi-disciplinary teams provide families with information, coaching, and referrals related to enhancing their child's development within the context of natural routines and activities.

**New Visions for Families Early Childhood Mental Health Services:** This program provides a continuum of mental health services (including comprehensive developmental assessments, and individualized treatment interventions) for children birth to age eight, and their families. Family counseling program that provides both individual and family counseling for children birth to age eighteen and their families. Services are available to people that are not AHCCCS eligible and who do not have private mental health insurance.

**Newborn Intensive Care Program/Pediatric Intensive Caring Program:** These programs provide a coordinated system of specialized nursing consultation and support for medically at-risk infants and toddlers who have spent time in a hospital newborn intensive care unit or pediatric intensive care unit.

**Project "Me Too!" Statewide Workshops/ Technical Assistance:** Project "Me Too!" is our Early Childhood Professional Development and Technical Assistance Department that provides free educational opportunities for licensed childcare centers, group homes, after-school programs, and certified family care providers.

**Smart Support Early Childhood Mental Health Consultation:** Smart Support helps build the capacity of childcare staff, programs, and families to prevent, identify, and reduce the impact of social-emotional development problems among children birth to age five. This program provides training, as well as direct technical assistance and coaching.
